

ICLP 2008

24th International Conference on Logic Programming

Udine (Italy), December 9-13, 2008

<http://iclp08.dimi.uniud.it>

Conference Scope

Since the first conference held in Mar-
seilles in 1982, ICLP has been the pre-
mier international conference for presen-
ting research in logic programming. Con-
tributions (papers, position papers, and
posters) are sought in all areas of logic
programming including but not restricted
to:

- * *Theory*
- * *Implementation*
- * *Environments*
- * *Language Issues*
- * *Related Paradigms*
- * *Applications*

General Chair

Agostino Dovier (U. Udine)

Program Chairs

Maria Garcia de la Banda (Monash U.)

Enrico Pontelli (New Mexico State U.)

Workshops Coordinator

Tran Cao Son (New Mexico State U.)

Doctoral Consortium Chairs

David Warren (SUNY Stony Brook)

Thom Schrijvers (K. U. Leuven)

20 years of Stable Model Semantics

Mirek Truszcynski (U. Kentucky)

Andrea Formisano (U. Perugia)

Programming Contest

Bart Demoen (K. U. Leuven)

Important Dates

Workshop Proposal	June 2
Abstract Submission	June 2
Paper Submission	June 9
Paper Notification	August 1
Poster Submission	August 15
Poster Notification	Sept 1
Camera Ready	Sept 15
